# **CORNERSTONE COMMERCIAL PARK REDEVELOPMENT PLAN**

City of Imperial, Nebraska

## **I. Community Development Law.**

The Nebraska Community Development Law as set forth in Sections 18-2101 to 18-2144, Reissue Revised Statutes of Nebraska (“RSSN”), and also in Sections 18-2145 to 18-2154, RRSN (collectively, the “Community Development Law”), grants certain powers that enable a city to remediate blight and substandard conditions within its boundaries. The overall objective of the exercise of such powers is as follows, as stated in Section 18-2104, RSSN:

The governing body of a city, to the greatest extent it deems to be feasible in carrying out the provisions of sections 18-2101 to 18-2144, shall afford maximum opportunity, consistent with the sound needs of the city as a whole, to the rehabilitation or redevelopment of the community redevelopment area by private enterprises. The governing body of a city shall give consideration to this objective in exercising its powers under sections 18-2101 to 18-2144, including the formulation of a workable program, the approval of community redevelopment plans consistent with the general plan for the development of the city, the exercise of its zoning powers, the enforcement of other laws, codes, and regulations, relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the providing of necessary public improvements.

Implementation of the Community Development Law occurs through approval of a redevelopment plan that serves as a guide for blight remediation and for development within a redevelopment area.

The governing body of a city or an authority at its direction for the purposes of the Community Development Law may formulate for the entire municipality a workable program for utilizing appropriate private and public resources to eliminate or prevent the development or spread of urban blight, to encourage needed urban rehabilitation, to provide for the redevelopment of substandard and blighted areas, or to undertake such of the aforesaid activities or other feasible municipal activities as may be suitably employed to achieve the objectives of such workable program. Such workable program may include, without limitation, provision for the prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation or conservation of substandard and blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds, and other public improvements by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of substandard and blighted areas or portions thereof.

Section 18- 2105, RRSN.

## **II. Redevelopment Plan for the Cornerstone Commercial Park Redevelopment Area.**

The City of Imperial, Nebraska (the “City”) acquired the Cornerstone Commercial Park Redevelopment Area (the “Redevelopment Area”) in an effort to open a new area for development, both

for commercial and industrial ventures, and to increase the number of residential sites within the City. The City's current commercial and residential in-fill lots are sparse and it is difficult to find a location in the community in which to build. The City has had numerous contacts from business prospects that are interested in locating in Imperial. While there are a number of lots that have been indicated in the Redevelopment Area that would work well for the developers, the lack of basic infrastructure is a hindrance to private construction. Timing is also an issue because several businesses are generally ready to begin construction, but they would have to wait nearly a year for basic infrastructure to be completed. One housing development has indicated readiness to locate within the next few months, if the infrastructure can be constructed in a timely fashion. The key to opening this Redevelopment Area in order to enhance the possibilities of growth in Imperial is the installation of streets, water and sewer, and other basic infrastructure.

In order to remediate blight and substandard conditions and to guide community development within the Redevelopment Area the City has prepared this Cornerstone Commercial Park Redevelopment Plan (the "Redevelopment Plan"). The Redevelopment Area is an area of the City that has remained undeveloped for many years. The Redevelopment Area is an area well suited for residential, commercial, and industrial development. However, the Redevelopment Area lacks utility service and access to interior lots. The purpose of this Redevelopment Plan is to provide the means to construct and install the necessary utility service and public access roadways to facilitate future development.

The Redevelopment Plan contains the following sections, as required by Section 18-2111, RRSN, and it will be implemented in compliance with the Comprehensive Plan of the City:

- (1) The boundaries of the redevelopment project area, with a map showing the existing uses and condition of the real property therein;
- (2) a land-use plan showing proposed uses of the area;
- (3) information showing the standards of population densities, land coverage, and building intensities in the area after redevelopment;
- (4) a statement of the proposed changes, if any, in zoning ordinances or maps, street layouts, street levels or grades, or building codes and ordinances;
- (5) a site plan of the area; and
- (6) a statement as to the kind and number of additional public facilities or utilities which will be required to support the new land uses in the area after redevelopment

### **III. Statutory Requirements.**

#### **A. Boundaries of the Redevelopment Project Area.**

The boundaries of the Redevelopment Area are depicted by the solid red line on Appendix 1 attached hereto, and also as described below:

Beginning at the southeast corner of Lot 21 of the Schroeder Subdivision, proceed east along the north line of 4<sup>th</sup> Street and continuing along the north line of the alley north of Block one of the Redevelopment Area to the west line of Nebraska State Highway 61; then south along the west line of Nebraska State Highway 61 to a the northeast corner of Lot 70 of the Schroeder Subdivision; then west along the north line of Lot 70 of the Schroeder Subdivision to the northeast corner of Lot 68 of the Schroeder Subdivision; then northwest along the south line of Cape Street to a line extended south from the east line of Lot 57 of the Schroeder Subdivision; then north along the east line of Lots 57, 56, and 55 of the Schroeder Subdivision to the south line of 2<sup>nd</sup> Street; then west along the south line of 2<sup>nd</sup> Street to the west line of Holland Street; then north along the west line of

Holland Street to a line extended west from the south line of Lot 34 of the Schroeder Subdivision; then east along the south line of Lots 34 and 33 of the Schroeder Subdivision to the southeast corner of Lot 33 of the Schroeder Subdivision, then north along the east line of Lot 33 of the Schroeder Subdivision to the north line of 4<sup>th</sup> Street, the point of beginning.

The Redevelopment Area is currently used as an agricultural area and the use and condition of the Redevelopment Area is shown on Appendix 2A and Appendix 2B, each attached hereto.

**B. Land-Use Plan.**

A proposed land-use plan is depicted on Appendix 1 and is further described as follows:

- Block One: all lots, commercial.
- Block Two: Lot 1, public park land and detention cell; Lots 2 and 3, single-family residential.
- Block Three: Lots 1-18, multi-family residential.
- Block Four: Lot 1, commercial; Outlot A, detention cell.
- Block Five: Lots 1-4, industrial; Outlot B, detention cell.
- Block Six: all lots, industrial.

**C. Post-Development Densities and Land Coverage.**

Appendix 1 shows that after development, population densities are projected to be consistent with single-family and multi-family residential uses on Block Three and a portion of Block Two. Blocks One, Four, Five, and Six are projected to have commercial and industrial uses and to have no residents residing thereon. Proposed land coverage and building intensities after development are depicted on Appendix 3.

**D. Proposed Zoning and Street Layout Changes.**

The Redevelopment Area is currently zoned a mixture of R-1, R-2, C-1, and I-1. Appendix 1 shows that Block Two is R-1 to permit single-family residential on Lots 2 and 3 and public parkland on Lot 1. Block Three is R-2 to permit single-family residential on Lots 1-12, multi-family residential on Lots 13-18, and public parkland on Lot 19. Blocks One and Four are C-1 to permit commercial uses thereon. Blocks Five and Six are I-1 to allow industrial development to occur.

Public streets would be constructed as depicted on Appendix 1. The existing Cape Street would be extended from the southwest corner of Lot 3 of Schroeder Subdivision and then east to the southeast corner of Lot 4 of Schroeder Subdivision. 2<sup>nd</sup> Street would be constructed from Holland Street at the northwest corner of Lot 55 of Schroeder Subdivision and then east to intersect with Nebraska State Highway No. 61. 3<sup>rd</sup> Street would be extended from the existing intersection of 3<sup>rd</sup> Street and Holland Street and then east to intersect with Nebraska State Highway No. 61. A paved roadway would be constructed on the existing portion of 4<sup>th</sup> Street located in the Redevelopment Area from the southwest corner of Lot 17 of Schroeder Subdivision and then east to its intersection with Orsa Street. Orsa Street would be extended from the current intersection with 4<sup>th</sup> Street and then south to its intersection with Cape Street. A frontage road would be constructed from the east end of the newly constructed Cape Street and then north to its intersection with the newly constructed 2<sup>nd</sup> Street.

**E. Site Plan.**

Appendix 1 provides a projected site plan for the Redevelopment Area. As specific development projects are unknown at this time, specific site plans for the development of individual lots on specific

blocks are unknown. Appendix 3 depicts proposed building intensities after development and site plans for all Blocks are anticipated generally to be in accordance with, or similar to, such development.

#### **F. Additional Public Facilities and Utilities.**

The reservation of public right-of-way will be required in the Redevelopment Area. The existing Cape Street, Second Street, Third Street, and Orsa Street would each be extended through the Redevelopment Area and frontage road would added in the southeast corner, all as described above in Section II.D. Public utilities would also need to be constructed and extended throughout the Redevelopment Area. Water and sewer utilities would be extended from the existing main lines that currently serve the areas adjacent to the Redevelopment Area. The capacity of the existing water and sewer mains may require modification based on the specific needs of future development. Electric utilities would be installed as development occurs according to the specific needs of each individual project.

#### **G. Additional Public Facilities and Utilities.**

This Redevelopment Plan also incorporates the recommendations contained in the redevelopment plan prepared by Olsson Associates, a copy of which is attached as Appendix 4, as to Redevelopment Study Area (Site 4) identified therein.

#### **IV. Tax Increment Financing.**

The Redevelopment Area currently suffers from blight and substandard conditions. Development opportunities have failed to materialize because of such conditions and because of the lack of public utilities and access roads within the Redevelopment Area. Development of the Redevelopment Area will increase the housing supply in the City, create public parkland, and provide areas for the operation of commercial and industrial businesses. However, tax increment financing is required in order to overcome the blight and substandard conditions.

This Redevelopment Plan is feasible and in conformity with the Comprehensive Plan for the development of the City as a whole and this Redevelopment Plan is in conformity with the legislative declarations and determinations set forth in the Community Development Law. In addition, (i) the redevelopment projects set forth in this Redevelopment Plan would not be economically feasible without the use of tax increment financing, the redevelopment projects set forth in this Redevelopment Plan would not occur in the Redevelopment Area without the use of tax increment financing; and (iii) the costs and benefits of the redevelopment projects set forth in this Redevelopment Plan, including costs and benefits to other affected political subdivisions, the economy of the community, and the demand for public and private services have been analyzed by the governing body of the City and have been found to be in the long-term best interests of the City.

## APPENDIX 4

### Part B – Redevelopment Plan

#### Purpose of the Study

The purpose of the Redevelopment Plan is to guide the implementation of community development within the previously examined Redevelopment Study Areas in the City of Imperial. The Nebraska Community Development Law states that this plan should promote the general welfare, enhance the tax base, promote the economic and social well-being, and promote the development of public activities and public events in the area. The authority to create and establish a redevelopment program is found in Section 18-2105 of state statute:

*The governing body of a city or an authority at its direction for the purposes of the Community Development Law may formulate for the entire municipality a workable program for utilizing appropriate private and public resources to eliminate or prevent the development or spread of urban blight, to encourage needed urban rehabilitation, to provide for the redevelopment of substandard and blighted areas, or to undertake such of the aforesaid activities or other feasible municipal activities as may be suitably employed to achieve the objectives of such workable program. Such workable program may include, without limitation, provision for the prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation or conservation of substandard and blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds, and other public improvements by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of substandard and blighted areas or portions thereof.*

The required elements of the Redevelopment Plan according to Sections 18-2111 of State Statute include:

- Boundaries of the redevelopment project(s) with a map showing the existing uses and conditions (see the attached Map)
- A land-use plan showing proposed uses for the areas (see the attached Map)
- Potential demographic characteristics after redevelopment
- A statement of proposed changes to zoning ordinances, street layouts, building codes, etc.
- A site plan for redevelopment areas, and
- A statement regarding new public facilities for redevelopment areas

Furthermore, the Redevelopment Plan should demonstrate that proposed redevelopment efforts are in conformance with the Comprehensive Development Plan for the City of Imperial. Also, the plan should demonstrate through its design and implementation the efficient use of public funds and the mitigation of blighted and substandard conditions.

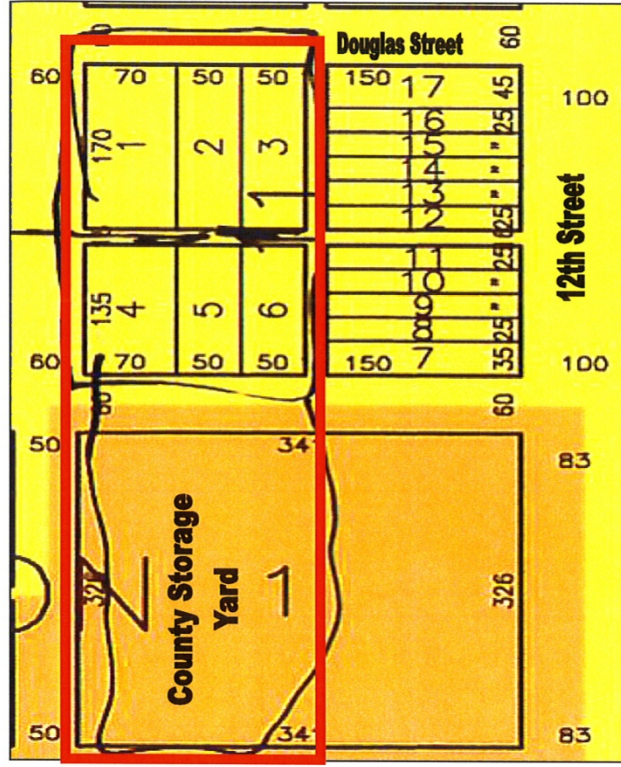

Moreover, the redevelopment recommendations provided are general in nature and are intended to provide a framework for future development within any of the study areas identified. While these recommendations do not specifically identify future land uses, they are meant to guide any proposed development. All future development within any of these redevelopment study areas must reflect the intent of this study and/or The City of Imperial Comprehensive Development Plan.

For the purposes of this report, the focus of this section will be two-fold. The first section will address any policy or specific recommendations for each of the five (5) redevelopment study areas included in the Comprehensive Development Plan. Secondly, recommendations will be made for future land uses and redevelopment projects for each redevelopment study area which will "promote the general welfare, enhance the tax base, promote the economic and social well-being, and promote the development of public activities and public events in the area." Furthermore, all recommendations should be used to attract and guide any and all future redevelopment projects within each of the six study areas and the City of Imperial.

In addition, the execution and delivery of the Contract has been duly and validly authorized and approved by all necessary proceedings.

- (b) The Project will achieve the public purposes of the Act by, among other things, improving public infrastructure, increasing the tax base, and lessening blighted and substandard conditions in the Redevelopment Area.
- (c) The Project would not be economically feasible without the use of tax-increment financing; the Project would not occur in the Redevelopment Area without the use of tax-increment financing; and the costs and benefits of the Project, including costs and benefits to other affected political subdivisions, the economy of the Authority, and the demand for public and private services, have been analyzed by the Authority and have been found to be in the long-term best interests of the Authority.
- (d) The Authority has determined that the proposed land uses and building requirements in the Redevelopment Area are designed with the general purpose of accomplishing a coordinated, adjusted, and harmonious development of the City and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development; including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic, and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage, and other public utilities, schools, parks, recreational and community facilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the remediation and prevention of the recurrence of insanitary or unsafe dwelling accommodations, or conditions of blight.

- (c) The Project will achieve the public purposes of the Act by, among other things, improving public infrastructure, increasing the tax base, and lessening blighted and substandard conditions in the Redevelopment Area.
- (d) The Project would not be economically feasible without the use of tax-increment financing; the Project would not occur in the Redevelopment Area without the use of tax-increment financing; and the costs and benefits of the Project, including costs and benefits to other affected political subdivisions, the economy of the Redeveloper, and the demand for public and private services, have been analyzed by the Redeveloper and have been found to be in the long-term best interests of the Redeveloper.

- (h) Except for Permitted Subsequent Approvals, all governmental permits and licenses that to Redeveloper's knowledge are required by applicable law to construct the Project have been issued and are in full force and effect or, if the present stage of development does not allow such issuance, the Redeveloper has no reason to believe, after due inquiry of the appropriate governmental officials, that such permits and licenses will not be issued in a timely manner in order to permit the Project to be constructed.
- (i) To the knowledge of the Redeveloper, the Redeveloper is in compliance with all valid laws, ordinances, orders, decrees, decisions, rules, regulations and requirements of every duly constituted governmental authority, commission and court applicable to any of its affairs, business, or operations as contemplated by this Contract.

**Section 302. The final terms and conditions of each series of TIF Indebtedness shall be stated in the Financing Resolution authorizing such series of TIF Indebtedness, subject to the mutual acceptance of such terms by the Authority, the Redeveloper, and the Lender, which acceptance shall not be unreasonably withheld. Notwithstanding the foregoing, it shall be the sole and

exclusive responsibility of the Redeveloper to find an acceptable Lender for each series of TIF Indebtedness issued by the Authority pursuant to this Contract.

**Section 303. Conditions Precedent to TIF Indebtedness.** Notwithstanding anything in this Contract to the contrary, prior to the issuance of any series of TIF Indebtedness, the Redeveloper shall submit satisfactory evidence to the Authority (unless waived by the Authority in its sole discretion) indicating that:

- (b) subject to Subsequent Permitted Approvals, all approvals relating to the development and construction of the Project have been obtained to the satisfaction of the Authority;
- (c) the TIF Revenues projected to be received between the time period prior to the issuance of any series of TIF Indebtedness and the maturity date of such TIF Indebtedness are sufficient to pay the principal or redemption price of and interest on such TIF Indebtedness; and

**Section 304. If the Administration Costs for any single calendar year exceed \$2,000, then such excess amounts shall be paid with TIF Revenues of the following calendar year(s). Notwithstanding the foregoing, the amount of all grants made pursuant to this section shall not exceed the amount of Project Costs certified pursuant to **Section 402**. All grants shall be paid to the Redeveloper upon receipt of appropriate Cost Certificates that include all supporting documentation reasonably requested by the Authority. If required by any Lender, the TIF Indebtedness shall be evidenced by a note or bond issued by the Authority. If the TIF Revenues are insufficient to pay the interest on the TIF Indebtedness, such interest shall be accrued and paid as and when there are sufficient TIF Revenues.

**Section 306. Creation of Fund.** The Authority shall create a special fund to collect and hold the TIF Revenues. Such special fund shall be used for no purpose other than to pay the principal and interest on any TIF Indebtedness issued pursuant to **Section 302** and to pay the Administrative Costs.

#### ARTICLE IV

#### OBLIGATIONS OF REDEVELOPER

**Section 401. Construction of Project.** The Redeveloper will complete the Project and install all necessary improvements. The Redeveloper shall be solely responsible for obtaining all permits, licenses, and approvals necessary to construct and equip the Project. Until construction of the Project has been completed, the Redeveloper shall make reports in such detail and at such times as may be reasonably requested by the Authority as to the actual progress of the Redeveloper with respect to the construction of the Project. Promptly after the Redeveloper has completed the Project, the Redeveloper shall furnish the Completion Certificate to the Authority, which, upon its acceptance by the Authority, shall constitute conclusive evidence of the satisfaction of the agreements and covenants in this Contract with respect to the obligations of the Redeveloper and its successors and assigns to construct the Project. As used in this Contract, the terms “completed” and “completion” shall mean substantial completion of the Project.

In the event material changes exist between the Construction Plans and the plans and specifications submitted to the County Assessor, the Redeveloper shall promptly notify the Authority of such changes. Prior to the issuance of the first series of TIF Indebtedness, if requested by the Authority, the Redeveloper shall certify to the Authority that no such material changes exist or, if such changes do exist, adequately describe such changes.

**Section 403. Cost Certification.** The Redeveloper shall submit to the Authority one or more Cost Certificates not later than the date of its submission of the Completion Certificate, which contain detail and documentation evidencing the payment of all Project Costs incurred by the Redeveloper in connection with the Project, which shall also be signed and certified by the Project Engineer.

**Section 404.** [Reserved.]

**Section 405. Authority Costs.** The Redeveloper shall reimburse the Authority for the out-of-pocket expenses incurred by the Authority for the negotiation and consideration of this Contract.

**Section 406. Such improvements shall also be procured under a contract or contracts that require, with respect to such improvements, (a) the procurement of all standard insurances required for public infrastructure projects, (b) a warranty of all such work for a period of one year running from the date of acceptance and approval of such improvements by the Authority, and (c) an appropriate bond assuring the due and punctual payment of all such work. Such improvements shall be subject to review by the Authority’s engineer prior to their approval by the Authority and acceptance by the Authority, and the Authority reserves the right to require the Redeveloper to redress, at the Redeveloper’s expense, any defects in such improvements.

The Redeveloper agrees and covenants for itself and its successors and assigns that so long as any TIF Indebtedness is outstanding it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry,

**Section 409. Required Disclosures.** The Redeveloper shall immediately notify the Authority of the occurrence of any material event which would cause any of the information furnished to the Authority by the Redeveloper in connection with the matters covered in this Contract to contain any untrue statement of any material fact or to omit to state any material fact required to be stated therein or necessary to make any statement made therein, in the light of the circumstances under which it was made, not misleading.

The Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project.

## ARTICLE VI

### DEFAULT, REMEDIES; INDEMNIFICATION

**Section 601. General Remedies of the Authority and the Redeveloper.** Subject to the further provisions of this **Article VI**, in the event of any failure to perform or breach of this Contract or any of its terms or conditions, by any party hereto or any successor to such party, such party, or successor, may, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations or exercise any other remedies that may be provided in this Contract or by applicable law; provided, however, that the default shall not give rise to a right of rescission or termination of this Contract.

**Section 602. Excusable or Forced Delay Beyond Party's Control.** For the purposes of any of the provisions of this Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Redevelopment Area for redevelopment, or the beginning and completion of construction or reconstruction of the Project, or progress in respect thereto, in the event of excusable or forced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public

enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes. It is the purpose and intent of this provision that in the event of the occurrence of any such excusable or forced delay, the time or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the excusable or forced delay; provided, that the party seeking the benefit of the provisions of this Section shall, within 30 days after the beginning of any such excusable or forced delay, have first notified the other party thereof in writing, and of the cause or causes thereof and requested an extension for the period of the excusable or forced delay.

**Section 603. Limitation of Liability; Indemnification.** Notwithstanding anything in this Article VI or this Contract to the contrary, neither the Authority, nor its officers, directors, employees, agents, or governing body shall have any pecuniary obligation or monetary liability under this Contract other than the obligation to pay the TIF Indebtedness if, and only if, there are sufficient TIF Revenues to do so. The sole obligation of the Authority under this Contract shall be the issuance of the TIF Indebtedness and the granting of the proceeds thereof to the Redeveloper, as specifically set forth in Sections 302, 304 and 305. The obligation of the Authority on any TIF Indebtedness shall be limited solely to the TIF Revenues pledged as security for such TIF Indebtedness. Specifically, but without limitation, the Authority shall not be liable for any costs, liabilities, actions, demands, or damages claimed by any third party that purportedly arise from this Contract.

## ARTICLE VII

The Redeveloper shall give prompt written notice to the Authority of any damage or destruction to the Project by fire or other casualty, irrespective of the amount of such damage or destruction, but in such circumstances the Redeveloper shall make the property safe and in compliance with all applicable laws as provided herein. **Section 703. Assignment of Redeveloper's Obligations.** The Redeveloper shall not assign any of its rights hereunder without the prior written consent of the Authority which consent shall not be unreasonably withheld, conditioned or delayed. This Contract and the rights, duties and obligations hereunder as they relate to the Project may be fully and freely assigned by the Redeveloper provided, however, every assignee (other than a Lender receiving only an assignment of rights) shall, by instrument in writing, for itself and its successors and assigns, and expressly for the benefit of the Authority, assume all of the obligations of the Redeveloper under this Contract and agree to be subject to all of the conditions and restrictions to which the Redeveloper is subject (or, in the event the transfer is of or relates

to a portion of the Redevelopment Area, such obligations, conditions and restrictions to the extent that they relate to such portion). **Section 811. Termination.** Notwithstanding anything contained herein to the contrary, the Redeveloper may terminate this Contract and be released of all duties, obligations and liabilities hereunder if the Redeveloper shall surrender in writing all of its rights to receive payment on the then remaining TIF Indebtedness. Upon any such termination, the Redeveloper shall execute all documents, if any, reasonably required by the Authority (1) to evidence the Redeveloper's surrender of its right to receive payment on any remaining TIF Indebtedness issued in connection with this Contract and (2) to effect the cancellation of any TIF Indebtedness that grants to Redeveloper the right to receive such payment.

*Terms not otherwise defined herein shall have the meaning ascribed to such terms in the Redevelopment Contract, dated January \_\_, 2016 (the "Contract") between the Community Redevelopment Authority of the City of Imperial, Nebraska and City of Imperial, Nebraska. In connection with the Contract, the undersigned hereby states and certifies that:*

4. There has not been filed with or served upon the Redeveloper any notice of any lien, right of lien or attachment upon or claim affecting the right of any person, firm or corporation to receive payment of the amounts stated in this request, except to the extent any such lien is being contested in good faith.

### REDEVELOPMENT PLAN FOR SCOTT PROJECT AREA (SCOTT PUBLIC PROJECT)

#### *Overview:*

*Definitions.* Capitalized terms used in this redevelopment plan (the “Redevelopment Plan”) not otherwise defined herein shall have the meanings ascribed to such terms in the General Redevelopment Plan for the Cornerstone Redevelopment Area.

*Purpose.* This Redevelopment Plan serves as an amendment to the General Redevelopment Plan for the Cornerstone Redevelopment Area approved by the Mayor and Council of the City on January 7, 2013. The purpose of this Redevelopment Plan is to satisfy the requirements of Section 18-2111, Reissue Revised Statutes of Nebraska, as amended, with respect to a certain portion of the Redevelopment Area (the “Scott Project Area”) and a certain project (the “Scott Public Project”).

*Purpose of Project.* The purpose of the Scott Public Project is to construct and install certain public infrastructure and improvements to service the needs of the Scott Project Area in order to encourage private development and investment therein. Private construction and investment in the Scott Project Area would not occur without the benefit of tax increment financing. Debt shall be issued by the Authority in one or more series in an aggregate principal and interest amount payable from TIF Revenues not to exceed \$66,849 to finance the Scott Public Project. The proceeds will be granted to the City as a reimbursement for the construction of certain project costs eligible for reimbursement under the Act (the “Project Costs”).

*Description of Public Project.* The Scott Public Project includes construction and installation of the public infrastructure and improvements set forth on **Attachment 1**.

*Description of Industrial Development.* The Scott Project Area contains 1 lot as shown in **Attachment 2**. A private developer (the “Private Developer”) acquired or plans to acquire all real property within the Scott Project Area (the “Industrial Development”). The anticipated development plan is to construct an industrial facility that specializes in irrigation wells for the agricultural industry, development and maintenance of groundwater resources for municipalities, and groundwater-related commercial projects.

#### *Statutory Criteria:*

1. *Boundaries of Scott Project Area.* The Scott Project Area is described in **Attachment 3**. A map of the Scott Project Area is attached hereto as **Attachment 4**.

2. *Land-Use Plan.* The plan for the use of land in the Scott Project Area is industrial construction and operation. The formal land use plan is industrial for the Scott Project Area.

3. *Population Densities, Land Coverage, and Building Intensities.* Population density is not expected to increase within the Scott Project Area. Land Coverage and building intensities are anticipated to be consistent with the Industrial Development to be comprised of a single building in which a business operates that provides services for groundwater-related commercial projects.

4. *Zoning Changes, Street Layouts or Changes.* No zoning changes are anticipated, and any street layouts changes or other changes are depicted on **Attachment 2**.

5. *Site Plan.* The plan for the site is to construct the Industrial Development on the area depicted on **Attachment 2**, the Scott Project Area.

6. *Additional Public Facilities or Utilities Required to Support Land Use After Redevelopment.* After completion of the Scott Public Project, no additional public utilities are required to support the proposed change.

***Financing Plan:***

This Redevelopment Plan contemplates that the City will construct necessary public infrastructure in the area immediately adjacent to the Scott Project Area and in the entire Cornerstone Redevelopment Area. The Private Developer will acquire the real property located within the Scott Project Area and construct the Industrial Development and improvements thereon. Debt will be issued by the Authority in one or more series in an aggregate principal and interest amount payable from TIF Revenues not to exceed \$66,849 to finance the Scott Public Project. The proceeds of such debt will be granted to the City as a reimbursement for the construction of certain portions of the Scott Public Project. No proceeds will be granted to the Private Developer. Certain public funds, in addition to those provided through tax increment financing, will be used to construct the Scott Public Project.

The City will obtain funds for the purchase of the debt issued by the Authority, purchase such debt outright, or incur eligible Project Costs equal to or greater than the amount of the debt then issued. Such debt shall not be backed by the Authority or the City, and will only be repaid from the increased ad valorem tax revenues created on each lot located in the Scott Project Area over a 15-year period commencing on each lot's respective effective date (the "Effective Date") as defined in the financing resolution authorizing issuance of the debt pursuant to Section 18-2124 of the Act to be paid by TIF Revenues generated by the Scott Project Area (the "Financial Resolution"). All ad valorem taxes currently being paid in the Scott Project Area will continue to be paid to the normal taxing authorities. After the 15-year TIF tax division period on a particular lot, the increased taxes for such lot will also be paid to the normal taxing authorities.

The Private Developer will provide all financing for the construction, equipping, and furnishing of the Industrial Development. The Private Developer will not be eligible for reimbursement from the City or the Authority if it incurs any Project Costs and the Private Developer shall not receive any TIF Revenues, reimbursements, or grants from either the City or the Authority pursuant to the General Redevelopment Plan or this Redevelopment Plan.

***Relocation of Families or Business.***

This Redevelopment Plan will not result in the relocation of any families or businesses from inside the Scott Project Area.

***Acquisition of Real Property by City or Authority; Disposal of Real Property.***

This Redevelopment Plan does not result in the acquisition of real property within the Scott Project Area by the City or the Authority, and neither the City nor the Authority intends to dispose of any real property located within the Scott Project Area.

***Pledge of Incremental Taxes.***

Pursuant to Section 18-2147 of the Act, any ad valorem tax levied upon real property in the Scott Project Area for the benefit of any public body shall be divided, for the period not to exceed 15 years after the Effective Date defined in the Financing Resolution, as follows:

- (a) That portion of the ad valorem tax which is produced by levy at the rate fixed each year by or for each public body upon the Redevelopment Project Valuation of the Scott Project Area shall be paid into the funds, of each such public body in the same proportion as all other taxes collected by or for the bodies; and
- (b) That portion of the ad valorem tax on real property in the Scott Project Area in excess of such amount, if any, shall be allocated to and, when collected, paid into a special fund of the City to pay the principal of, the interest on, and any premiums due in connection with the bonds, loans, notes, or advances on money to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, such Authority for financing or refinancing, in whole or in part, a redevelopment project. When such bonds, loans, notes, advances of money, or indebtedness including interest and premium due have been paid, the City shall so notify the County Assessor and County Treasurer and all ad valorem taxes upon real property in such redevelopment project shall be paid into the funds of the respective public bodies.

***Terms of General Redevelopment Plan Incorporated.***

The terms and conditions of the General Redevelopment Plan are incorporated herein as a part of this Redevelopment Plan.

Re: Taxable Tax Increment Revenue Notes (Scott Public Project), Series 2016, of the  
Community Redevelopment Authority of the City of Imperial, Nebraska

Ladies and Gentlemen:

The undersigned (the "Investor") hereby represents and warrants to you as follows:

1. The Investor proposes to purchase the above-referenced Notes (the "Note") issued pursuant to a financing resolution (the "Financing Resolution") adopted by the members of the Board of Directors of the Community Redevelopment Authority of the Council of the City of Imperial, Nebraska (the "Issuer"). The Investor understands that the Note has not been registered under the Securities Act of 1933, as amended (the "1933 Act") or the securities laws of any state and will be sold to the Investor in reliance upon certain exemptions from registration and in reliance upon the representations and warranties of the Investor set forth herein.

2. The Investor is one of the following:

- a. an "accredited investor" as that term is defined in Regulation D promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended;
- b. a bank or other financial institution;
- c. a city, town, village, or other political subdivision of the State of Nebraska; or
- d. the Developer of the Project.

3. The Investor has sufficient knowledge and experience in business and financial matters in general, and investments such as the Note in particular, to enable the Investor to evaluate the risks involved in an investment in the Note.

4. Investor has received and carefully reviewed the Financing Resolution and has had the opportunity to ask questions and to receive answers regarding all matters relating to the Financing Resolution. The Investor has had an opportunity to obtain any and all information, including financial information, that it deems relevant in order to make an informed decision as to an investment in the Note and to verify the accuracy of all information that has been furnished to the Investor.

5. The Investor confirms that its investment in the Note constitutes an investment that is suitable for and consistent with its investment program and that the Investor is able to bear the economic risk of an investment in the Note, including a complete loss of such investment.

6. The Investor is purchasing the Note solely for its own account for investment purposes only, and not with a view to, or in connection with, any distribution, resale, pledging, fractionalization, subdivision or other disposition thereof (subject to the understanding that disposition of Investor's property will remain at all times within its control).

7. The Investor agrees that it will only offer, sell, pledge, transfer or exchange the Note (i) in accordance with an available exemption from the registration requirements of Section 5 of the 1933 Act, (ii) in accordance with any applicable state securities laws and (iii) in accordance with the provisions of the Financing Resolution.

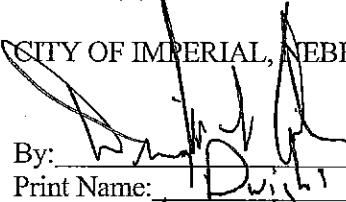

8. The Investor further acknowledges that the occurrence of any one of many risk factors could adversely affect the ability of the Issuer to make its required payments of principal of and interest on the Note and that the following is a list of certain (but not all) of the risk factors that the Investor has considered prior to purchasing the Note:

(a) *Insufficiency of TIF Revenue Fund.* The amounts in the TIF Revenue Fund (as defined in the Financing Resolution) may not be sufficient to pay the principal and interest due on the Note on each Note Payment Date (as defined in the Financing Resolution) or on the Maturity Date set forth on the face of the Note.

9. If the Investor sells the Note, the Investor or its agent will obtain from any subsequent purchaser the same representations contained in this Investment letter.

10. The Investor acknowledges and understands that the Issuer is relying and will continue to rely on the statements made herein. The Investor agrees to notify the Issuer immediately of any changes in the information and conclusions herein.

Very truly yours,

**WHEREAS**, the City of Imperial, Nebraska, a municipal corporation (the "City"), has determined it to be desirable to undertake and to carry out certain community redevelopment projects in certain areas of the City that are determined to be blighted and substandard and in need of redevelopment;

**WHEREAS**, Sections 18-2101 through 18-2154, Reissue Revised Statutes of Nebraska, as amended (collectively, the "Act"), prescribe the requirements and procedures for the planning and implementation of community redevelopment projects;

**WHEREAS**, the City has previously declared the area described in **Attachment 1** (the "Redevelopment Area") to be blighted and substandard and in need of redevelopment pursuant to the Act;

**WHEREAS**, the Community Redevelopment Authority of the City (the "Authority") has prepared or caused to be prepared a general redevelopment plan for the Redevelopment Area in the form attached as **Attachment 2** (the "Redevelopment Plan"), which has previously been approved by the Mayor and Council of the City;

**WHEREAS**, pursuant to and in furtherance of the Act, the Authority has caused to be prepared a substantial modification to the Redevelopment Plan in the form attached as **Attachment 3** (the "Plan Amendment"), the purpose of which is to authorize certain community redevelopment projects (collectively, the "Project") within a portion of the Redevelopment Area described in **Attachment 4** (the "Project Area");

**WHEREAS**, the Authority and the Planning Commission of the City (the "Planning Commission") have both reviewed the Plan Amendment and recommended its approval by the Mayor and Council of the City;

**WHEREAS**, the City published and mailed notices of a public hearing regarding the consideration of the approval of the Plan Amendment pursuant to Section 18-2115 of the Act, and has on the date of this Resolution held a public hearing on the proposal to approve the Plan Amendment; and

**WHEREAS**, the City has reviewed the Redevelopment Plan, including the Plan Amendment, and determined that the proposed land uses and building requirements described therein are designed with the general purpose of accomplishing a coordinated, adjusted, and harmonious development of the City and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity and the general welfare, as well as efficiency in economy in the process of development; including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic, and other dangers, adequate provisions for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water,

**NOW THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF IMPERIAL, NEBRASKA:**

**Section 1.** The Redevelopment Plan for the Redevelopment Area, including the Project Area, is hereby determined to be feasible and in conformity with the general plan for the development of the City as a whole, and the Redevelopment Plan, including the Plan Amendment, is in conformity with the legislative declarations and determinations set forth in the Act; and it is hereby found and determined, based on the analysis conducted by the Authority, that (a) the Project described in the Plan Amendment would not be economically feasible without the use of tax-increment financing, (b) the Project would not occur in the Project Area without the use of tax-increment financing, and (c) the costs and benefits of the Project, including costs and benefits to other affected political subdivisions, the economy of the City, and the demand for public and private services have been analyzed by the City and have been found to be in the long-term best interest of the community impacted by the Project. The City acknowledges receipt of the recommendations of the Authority and the Planning Commission with respect to the Plan Amendment.

**Section 2.** The Plan Amendment is hereby approved in substantially the form attached hereto, with such immaterial changes, additions, or deletions thereto as may be determined to be necessary by the Mayor in his sole and absolute discretion. The Plan Amendment shall for all purposes serve as an amendment to the Redevelopment Plan.

**Section 3.** The Redevelopment Plan, as amended by this Resolution and the Plan Amendment, is hereby ratified and reaffirmed, and the Authority is hereby directed to implement the Redevelopment Plan in accordance with the Act.

**Section 4.** In accordance with Section 18-2147 of the Act, the City hereby amends the Redevelopment Plan by providing that any ad valorem tax on real property in the Project Area for the benefit of any public body be divided as follows for a period of 15 years after the effective date of this provision as provided in Section 18-2147 of the Act, which effective date shall be January 1, 2016:

(a) That proportion of the ad valorem tax which is produced by levy at the rate fixed each year by or for each public body upon the Redevelopment Project Valuation (as defined in the Act) shall be paid into the funds of each such public body in the same proportion as all other taxes collected by or for the bodies; and

(b) That proportion of the ad valorem tax on real property in the Project Area in excess of such amount (the Redevelopment Project Valuation), if any, shall be allocated to, is pledged to, and, when collected, paid into a special fund of the Authority to pay the principal of, the interest on, and any premiums due in connection with the bonds, loans, notes or advances of money to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, such Authority for financing or refinancing, in whole or in part, the Project. When such bonds, loans, notes, advances of money, or indebtedness, including interest and premium due have been paid, the Authority shall so notify the county assessor and county treasurer and all ad valorem taxes upon real property in the Project Area shall be paid into the funds of the respective public bodies.

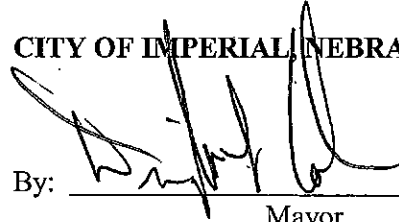

**Section 5.** The Authority is hereby determined that the proposed land uses and building requirements in the Redevelopment Area, including the Project Area, are designed with the general purposes of accomplishing, and in conformance with the general plan of the City, a coordinated, adjusted, and harmonious development of the City and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity and the general welfare, as well as efficiency in economy in the process of development; including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic, and other dangers, adequate provisions for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage, and other public utilities, schools, parks, recreational and communitive facilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the prevention of the recurrence of unsanitary or unsafe dwelling accommodations, or conditions of blight.

of the Community Redevelopment Authority  
of the City of Imperial, Nebraska  
Imperial, Nebraska

Re: Taxable Tax Increment Revenue Notes (Scott Public Project), Series 2016, of the  
Community Redevelopment Authority of the City of Imperial, Nebraska

Ladies and Gentlemen:

The undersigned (the "Investor") hereby represents and warrants to you as follows:

1. The Investor proposes to purchase the above-referenced Notes (the "Note") issued pursuant to a financing resolution (the "Financing Resolution") adopted by the members of the Board of Directors of the Community Redevelopment Authority of the Council of the City of Imperial, Nebraska (the "Issuer"). The Investor understands that the Note has not been registered under the Securities Act of 1933, as amended (the "1933 Act") or the securities laws of any state and will be sold to the Investor in reliance upon certain exemptions from registration and in reliance upon the representations and warranties of the Investor set forth herein.

2. The Investor is one of the following:

- a. an "accredited investor" as that term is defined in Regulation D promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended;
- b. a bank or other financial institution;
- c. a city, town, village, or other political subdivision of the State of Nebraska; or
- d. the Developer of the Project.

3. The Investor has sufficient knowledge and experience in business and financial matters in general, and investments such as the Note in particular, to enable the Investor to evaluate the risks involved in an investment in the Note.

4. Investor has received and carefully reviewed the Financing Resolution and has had the opportunity to ask questions and to receive answers regarding all matters relating to the Financing Resolution. The Investor has had an opportunity to obtain any and all information, including financial information, that it deems relevant in order to make an informed decision as to an investment in the Note and to verify the accuracy of all information that has been furnished to the Investor.

5. The Investor confirms that its investment in the Note constitutes an investment that is suitable for and consistent with its investment program and that the Investor is able to bear the economic risk of an investment in the Note, including a complete loss of such investment.

6. The Investor is purchasing the Note solely for its own account for investment purposes only, and not with a view to, or in connection with, any distribution, resale, pledging, fractionalization, subdivision or other disposition thereof (subject to the understanding that disposition of Investor's property will remain at all times within its control).

7. The Investor agrees that it will only offer, sell, pledge, transfer or exchange the Note (i) in accordance with an available exemption from the registration requirements of Section 5 of the 1933 Act, (ii) in accordance with any applicable state securities laws and (iii) in accordance with the provisions of the Financing Resolution.

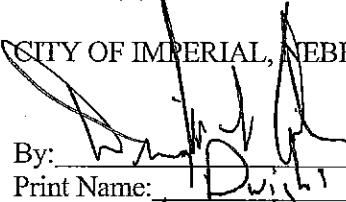

8. The Investor further acknowledges that the occurrence of any one of many risk factors could adversely affect the ability of the Issuer to make its required payments of principal of and interest on the Note and that the following is a list of certain (but not all) of the risk factors that the Investor has considered prior to purchasing the Note:

(a) *Insufficiency of TIF Revenue Fund.* The amounts in the TIF Revenue Fund (as defined in the Financing Resolution) may not be sufficient to pay the principal and interest due on the Note on each Note Payment Date (as defined in the Financing Resolution) or on the Maturity Date set forth on the face of the Note.

9. If the Investor sells the Note, the Investor or its agent will obtain from any subsequent purchaser the same representations contained in this Investment letter.

10. The Investor acknowledges and understands that the Issuer is relying and will continue to rely on the statements made herein. The Investor agrees to notify the Issuer immediately of any changes in the information and conclusions herein.

Very truly yours,

The Notes shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their issuance date or from the most recent interest payment date to which interest has been paid or duly provided for.

**Section 2.3. Method and Place of Payment of Notes.** The principal of and interest on the Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of debts due the United States of America.

The principal and interest payable on the Notes on any Note Payment Date shall be paid to the respective Registered Owners of such Notes as shown on the Note Register at the close of business on the Record Date for such interest. At the option of the Authority, payment shall be made (a) by check or draft mailed to such Registered Owner, or (b) by electronic transfer to such Registered Owner upon written notice given to the Authority by such Registered Owner not less than 15 days prior to the Record Date for such payment, containing the electronic transfer instructions including the bank (which shall be in the continental United States), ABA routing number and account number to which such Registered Owner wishes to have such transfer directed. Such electronic transfer notice shall be effective until such Registered Owner gives the Authority written notice to the contrary.

**Section 2.4. Registration, Transfer and Exchange of Notes.** The Authority covenants that it will, so long as the Notes remain outstanding, cause to be kept at the office of the City books for the registration, transfer and exchange of the Notes as herein provided. The Notes when issued shall be registered in the name of the Registered Owners thereof on the Note Register.

The Notes may be transferred and exchanged only upon the Note Register as provided in this Section. The Notes are transferable only to banks, other financial institutions or accredited investors (as defined in Rule 501 of Regulation D of the Securities Act of 1933), or as otherwise permitted by the Authority, and only upon the execution by such transferee of an investment letter substantially in the form attached hereto as **Exhibit E**. At reasonable times and under reasonable regulations established by the Authority, the Note Register may be inspected and copied by any Registered Owner (or a designated representative thereof).

The Authority may impose a charge against a Registered Owner for the reimbursement of any governmental charge required to be paid in the event that such Registered Owner fails to provide a correct taxpayer identification number to the Authority. Such charge may be deducted from an interest or principal payment due to the Registered Owner.

**Section 2.5. Any Notes may be signed by such persons who at the actual time of the execution of such Notes are the proper officers to sign such Notes although at the date of such Notes such persons may not have been such officers.

The Chair and Secretary are hereby authorized and directed to prepare and execute the Notes. The Authority shall deliver the Notes to the Purchasers, upon payment of the purchase price of the Notes.

If any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Authority in its discretion may, instead of issuing a new Note, pay such Note when due.

Upon the issuance of any new Note under this Section, the Authority may require the payment by the Registered Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Authority) connected therewith.

Every new Note issued pursuant to this Section shall constitute a replacement of the prior obligation of the Authority, and shall be entitled to all the benefits of this Resolution equally and ratably with all other outstanding Notes.

**Section 2.7. Sale of Notes.** Upon receipt of documents sufficient to evidence that the Authority has received consideration equal to the amount of 100% of the principal amount of the respective Note, the sale of the such Note to the Purchaser at a purchase price of 100% of the principal amount of such Note, plus accrued interest, if any, to the date of delivery, will be hereby ratified and confirmed. Neither the taxing powers of the Authority or the City are pledged to the payment of the Notes either as to principal or interest. The Notes shall not constitute a general obligation of the Authority, nor shall they constitute an indebtedness of the Authority within the meaning of any constitutional, statutory or charter provision, limitation or restriction.

**Section 4.2. Pledge of Certain Funds.** The moneys and securities now or hereafter held in, and moneys and securities to be deposited in, the TIF Revenue Fund, and all interest and earnings thereon and proceeds thereof, are hereby pledged to secure the payment of the Notes. ### DEFAULT AND REMEDIES

**Section 9.1. Acceleration of Maturity Upon Default.** The Authority covenants and agrees that if it defaults in the payment of the principal of or interest on the Notes as the same becomes due on any Note Payment Date, then, at any time thereafter and while such default continues, the Registered Owner may by written notice to the Authority filed in the office of the City Clerk or delivered in person to said City Clerk, declare the principal of the Notes then outstanding to be due and payable immediately, and upon any such declaration the Notes shall become and be immediately due and payable, anything in this Resolution or in the Notes contained to the contrary notwithstanding. This provision, however, is subject to the condition that if at any time after the principal of said outstanding Notes has been so declared to be due and payable, all arrears of interest upon all of said Notes, except interest accrued but not yet due on such Notes, and all arrears of principal upon all of said Notes has been paid in full and all other defaults, if any, by the Authority under the provisions of this Resolution and under the provisions of the statutes of the State of Nebraska have been cured, then and in every such case the Registered Owner shall, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any rights consequent thereon. **Section 9.3. Remedies Cumulative.** No remedy conferred herein upon the Registered Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by a Registered Owner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of a Registered Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Registered Owners by this Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. In case any suit, action or proceeding taken by a Registered Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to such Registered Owner, then, and in every such case, the Authority and such Registered Owner shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of such Registered Owner shall continue as if no such suit, action or other proceedings had been brought or taken.

of the Community Redevelopment Authority  
of the City of Imperial, Nebraska  
Imperial, Nebraska

Re: Taxable Tax Increment Revenue Notes (Scott Public Project), Series 2016, of the  
Community Redevelopment Authority of the City of Imperial, Nebraska

Ladies and Gentlemen:

The undersigned (the "Investor") hereby represents and warrants to you as follows:

1. The Investor proposes to purchase the above-referenced Notes (the "Note") issued pursuant to a financing resolution (the "Financing Resolution") adopted by the members of the Board of Directors of the Community Redevelopment Authority of the Council of the City of Imperial, Nebraska (the "Issuer"). The Investor understands that the Note has not been registered under the Securities Act of 1933, as amended (the "1933 Act") or the securities laws of any state and will be sold to the Investor in reliance upon certain exemptions from registration and in reliance upon the representations and warranties of the Investor set forth herein.

2. The Investor is one of the following:

- a. an "accredited investor" as that term is defined in Regulation D promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended;
- b. a bank or other financial institution;
- c. a city, town, village, or other political subdivision of the State of Nebraska; or
- d. the Developer of the Project.

3. The Investor has sufficient knowledge and experience in business and financial matters in general, and investments such as the Note in particular, to enable the Investor to evaluate the risks involved in an investment in the Note.

4. Investor has received and carefully reviewed the Financing Resolution and has had the opportunity to ask questions and to receive answers regarding all matters relating to the Financing Resolution. The Investor has had an opportunity to obtain any and all information, including financial information, that it deems relevant in order to make an informed decision as to an investment in the Note and to verify the accuracy of all information that has been furnished to the Investor.

5. The Investor confirms that its investment in the Note constitutes an investment that is suitable for and consistent with its investment program and that the Investor is able to bear the economic risk of an investment in the Note, including a complete loss of such investment.

6. The Investor is purchasing the Note solely for its own account for investment purposes only, and not with a view to, or in connection with, any distribution, resale, pledging, fractionalization, subdivision or other disposition thereof (subject to the understanding that disposition of Investor's property will remain at all times within its control).

7. The Investor agrees that it will only offer, sell, pledge, transfer or exchange the Note (i) in accordance with an available exemption from the registration requirements of Section 5 of the 1933 Act, (ii) in accordance with any applicable state securities laws and (iii) in accordance with the provisions of the Financing Resolution.

8. The Investor further acknowledges that the occurrence of any one of many risk factors could adversely affect the ability of the Issuer to make its required payments of principal of and interest on the Note and that the following is a list of certain (but not all) of the risk factors that the Investor has considered prior to purchasing Note:

(a) *Insufficiency of TIF Revenue Fund.* The amounts in the TIF Revenue Fund (as defined in the Financing Resolution) may not be sufficient to pay the principal and interest due on the Notes on each Note Payment Date (as defined in the Financing Resolution) or on the Maturity Date set forth on the face of the Note.

9. If the Investor sells the Note, the Investor or its agent will obtain from any subsequent purchaser the same representations contained in this Investment letter.

10. The Investor acknowledges and understands that the Issuer is relying and will continue to rely on the statements made herein. The Investor agrees to notify the Issuer immediately of any changes in the information and conclusions herein.

Very truly yours,
